EPC CONGRATULATES GENERAL MANAGER

The Electric Power Corporation congratulates Tologatā Galumalemana Lupematasila Tagaloatele Tile Leʻa Tuimalealiifano on his reappointment as General Manager of EPC, for another three years.

This follows the Cabinet’s approval in its meeting on the 22nd October 2014.

Tologatā was first appointed in 2011. Prior to this appointment, he has held managerial positions in the Generation Division and Project Management Unit of EPC. He has served EPC for 27 years.

Tologata holds a **Master of Business Administration** from La Trobe University Melbourne and Association of Professional Engineers, Scientists and Managers, Australia (APESMA), **Graduate Diploma in Public Sector Management with distinction** from Massey University Palmerston North, New Zealand and a **Bachelor of Engineering** from the University of Technology, Papua New Guinea.

With another term in office, Tologata has this vision to work towards.

“100% renewable energy sources and to operate the Corporation to become “financially viable with an affordable tariff” he says.

He adds that *“I can't change the direction of the wind, but I can adjust my sails to always reach my destination”*
