**CUSTOMER ACKNOWLEDGEMENT AND AGREEMENT**

I agree to comply with all EPC Rules & Regulations including rate schedules and to pay all charges incurred for utility service within the time stipulated.

I am responsible for engaging a licensed electrician registered under the Electric Power Corporation Act 1980, who is authorized to carry out the type of electrical wiring work needed on my premise(s)

I agree that authorized EPC personnel shall have full and free access to the premise(s) to install, maintain, repair, inspect, investigate or remove EPC meter and EPC assets pertaining to the utility service provided to my premise (s);

I agree that I shall not cause any damage or tamper with the meter. If the meter(s) is damaged or has been tampered or attempted tampered with, I shall be hold responsible for it which may include prosecution.

I agree that should I rent, lease or hire out my premise(s) to a tenant or anyone else, I shall remain responsible for the payment of the electrical bills, charges or fees and that I am not discharged from any of my obligations in this agreement;

Any induction meter shall immediately be changed into a cash power meter once they are in arrears or found that their meter has been tampered with or damaged;

EPC shall provide identification of every authorized EPC personnel and will assist me with any query regarding the authority, identity of EPC personnel;

I agree that EPC is indemnified from all loss, damage or expense to persons or properties directly or indirectly caused by installation, connection or supply of the electrical meters and/or electricity, connection or utility service(s) to my premise(s).

I have read these terms, understand and agree with them as shown my signature hereto:
