- (a) prices shall be quoted in either Samoan Tala, New Zealand Dollars, Australian Dollars or United State Dollars.
- (b) prices shall be fixed for the duration of the specified period for delivery.
- (c) unless otherwise stated, the quotation shall be for the full quantity stated on the Request for Quotation.

### **6. Bid Security**

- (a) A Bid Security is not required.
- (b) The Bid shall be valid for the period identified in the Request for Quotation.
- (c) A Bidder who, without good cause, withdraws during the period of quotation validity, or does not accept corrections of errors, or fails to accept the Purchase Order if offered or fails to produce the Performance Security (if required) will be excluded from participating in Request for Quotation process for one year.

### **7. Quotation Submission**

- (a) The bidder may submit more than one quotation, provided quotations are for

substantively different goods meeting the same description or specification.

- (b) quotations should be submitted to the **General Manager, Electric Power Corporation, 5<sup>th</sup> Floor TATTE Building, Sogi**, no later than the specified time & date as stated in **Part 3**
- (c) Subject to ITB 8(d), late quotation will not be considered and shall be returned to the Bidder unopened.
- (d) However, the Principal reserves the right to retain and open late quotation if the number of quotations received is less than three (3).

### **8.Quotation Opening**

- (a) The opening of quotations will be undertaken by officers of the Principal & representatives of the corporation.
- (b) The opening of the quotation shall be opened to bidders, who/m submitted their Bids; and interested members of the public to attend.
- (c) The results of the quotation evaluation shall be available on request, denoting only the successful bidder.

### **9.Quotation Evaluation & Contract Award**

- (a) Quotations shall be evaluated to establish substantial responsiveness to eligibility & qualification requirements, specified technical schedules, commercial conditions and this ITB.
- (b) The Bidder found to be substantially responsive after the evaluation shall be awarded the contract. That bidder then becomes the Successful Bidder.
- (c) After arithmetical checking and correction, the quotation of the bidder(s) found to be substantially responsive shall be evaluated for lowest price, which shall be the basis of award.
- (d) Award notification shall be effected by the Principal issuing the Letter of Award (see Part B) to the most substantially responsive Service Provider.
- (e) Once the letter of Award is signed by both parties the:
  - i. Request for Quotation at Part 3; and
  - ii. The General and Special Conditions at Part 4; and

- iii. Services specification, Occupational Health and Safety ('OHS') Instruction and Action Scheduled work times at Part 4;

Shall be the terms and conditions which will govern the implementation of the Service. The Principal shall be termed the 'Employer' and the most substantially responsive Bidder shall be termed the 'Contractor'.

- (f) Notwithstanding the above, the Principal reserves the right to accept or reject any quotations, or to cancel the quotation process at any time prior to the award.
- (g) The unsuccessful Bidder may, with 7 days of the announcement of the award, request reasons why it/they were no successful, but cannot request reasons why other Bidders were not successful.

### **10. Performance Security**

- (a) If a Performance Security is required, the Purchaser shall issue a Letter of Acceptance which shall serve as notification of award.
- (b) The Bidder shall provide a Performance Security within seven days of the letter of award, in the amount specified in the Request for Quotations.

### **11. Insurance**

- (a) The basis of the agreement between the Purchaser and the Bidder will be delivery and acceptance at the named place for delivery. The Bidder will bear all risks for transportation between point of dispatch and point of delivery.
- (b) Accordingly, the Bidder shall arrange appropriate insurance cover.

### **12. Packaging & Delivery**

- (a) the Bidder shall ensure that all goods are appropriately packaged to avoid physical damage, breakage or corrosion.
- (b) delivery shall be made to the specified place of delivery within the specified delivery period.

**13. Payment:** The Purchaser shall make payment to the Bidder within 30 days of delivery of goods and completion of related services.

### **14. Inspection of Goods/Products**

The Principal may request to view the items of Goods/Products during the evaluation of the Bidders bid to deliver goods or goods related services.

#### **15. Warranty**

The Bidder must provide a warranty for all goods/item to be provided, for the period set out in RfQ (see Part 4).

#### **16. Corrupt & Fraudulent Practices**

The Purchaser requires that Bidder observe the highest standards of ethics during the procurement and execution of government contracts, to the extent that corrupt, fraudulent, collusive and coercive practices and conflict of interest occurring in quotation, delivery & completion processes may result in disqualification, termination of purchase order and penal sanctions.

- d. report on the progress of the Cleaning & Maintenance

The Principal's Representative shall issue a Progress Payment Certificate once he/she is satisfied that the Claim for Payment is bona fide. The Employer must pay the amount in the Claims for Payment 14 days from when he/she is satisfied with the Claim for Payments.

The Principal shall retain a certain percentage, set out in the SCC, of the total quoted price until the completion of the Defects Liability Period.

- 7 **PRINCIPAL'S REPRESENTATIVE:** The Principal's Representative shall be an Employee of the Principal responsible for liaising with the Service Provider and general administration and supervision of the Services. The Principal's Representative is set out in the SCC.
- 8 **AMENDMENT:** No amendment or other variation of the Contract shall be valid unless it is in writing, is dated, expressly refers to this Contract and is signed by a duly authorized representative of each of the Parties to the Contract.
- 9 **LANGUAGE:** The applicable language of the Contract is English.
- 10 **LAW:** The applicable law of the Contract is the law of the Independent State of Samoa.
- 11 **INTERPRETATION:** If the context requires it, singular means plural and vice versa. The reference to one gender shall mean the other gender. All monetary references shall be to Samoan Tala unless otherwise stated.
- 12 **COMMUNICATIONS/NOTICES:** Communications between parties to the Contract shall be effective only when communicated or delivered in written form with proof of receipt, to the address specified in the SCC.
- 13 **COPYRIGHT:** Both parties shall observe requirements of the Samoa Copyright Act 1998 and international conventions

- concerning material produced by third parties.
- 14 **DOCUMENT OWNERSHIP:** Unless otherwise provided in Contract schedules and as applicable to Contract category, all plans, specifications, designs, reports, other documents and software prepared by the Service Provider shall become and remain the property of the Employer, without encumbrances of ownership by other parties. The Employer shall establish proof of ownership of existing materials provided to the Service Provider for contract performance and the Service Provider shall establish the right to use and reproduce any materials produced by third parties to be used in contract performance.
- 15 **CONFIDENTIALITY:** The Parties shall keep confidential and shall not divulge to any third party any documents, data or other information furnished directly or indirectly in regard to the Contract, without written consent of the other Party.
- 16 **CONFLICT OF INTEREST:** The Service Provider shall not have a conflict of interest. The Service Provider warrants that to the best of its knowledge and after making diligent inquiry, at the date of signing the contract, does not have a conflict with the interests of the Employer or is likely to arise in the performance of the Works. If during the performance of the Service a conflict of interest arises or appears likely to arise, the Service Provider agrees to:
- (a) Immediately notify the Employer in writing;
  - (b) make full disclosure of all relevant information relating to the conflict; and
  - (c) take such steps as the Employer may reasonable require to resolve or otherwise deal with the conflict.

- 18 **PRICE ADJUSTMENT:** Price adjustment for changes in economic conditions shall not apply to any contract resulting from RFQ processes.
- 19 **TAXES AND DUTIES:** The Service Provider is liable for all taxes and duties unless otherwise agreed to by the parties, in accordance with the particular application context and the laws of the Independent State of Samoa.
- 20 **ACCOUNTING, INSPECTION & AUDIT:** The Service Provider shall permit and also require its Subservice Providers and consultants to permit, the Government and/or its authorized appointees to inspect the Service Provider's office and all accounts and records relating to contract performance and/or tender submission and to have such accounts and records audited by the Government's appointed auditors. Moreover, acts by the Service Provider to materially impede inspections and audits are a prohibited practice subject to termination and declaration of ineligibility.
- 21 **LIMITATION OF LIABILITY:** Except for its negligence or misconduct in performing the Contract and its related obligation to pay liquidated damages, the Service Provider will not be liable to the Principal for any form of consequential loss or damage, loss of use, loss of production or loss of profits plus interest cost. The total liability of the Service Provider under the Contract or civil law shall not exceed one hundred and fifty percent of the Contract Price, except that this shall not apply to costs of rectifying defective equipment, works or other deliverables.
- 22 **SUSPENSION:** The Employer may, with written notice of the nature of default, suspend all payments to the Service Provider if the Service Provider fails to perform particular requirements of the Contract and shall require the Service Provider to remedy the default within thirty (30) days of Service Provider receiving the suspension notice.
- 23 **TERMINATION:** Where a party defaults on any of its obligations under this Contract, the other party may give notice requiring that the failure be remedied within fourteen (14) days and if not remedied within that time, may terminate the Contract immediately.
- The Principal may terminate the contract if any of the events set out in the SCC occurs.
- 24 **FORCE MAJEURE:** If, because of the result of an event of Force Majeure causing delay and the Service Provider is unable to perform its Contract obligations, it shall not

- be liable for its Performance Security forfeiture, liquidated damages or termination for default. The Service Provider shall notify the Principal in writing of such condition, its cause and the nature of the delay or its inability to perform its Contract obligations as soon as practicable.
- 25 **LIQUIDATED DAMAGES:** Unless the Completion Date is extended in accordance with clause 8, the Service Provider shall pay damages to the Principal at a rate per day stated in the SCC for each day that the Completion Date is later than the intended Completion Date. The total amount of liquidated damages shall not exceed the amount defined in the SCC. Payments under this provision shall not affect the Service Providers Liability. The Principal may deduct liquidated damages from payments due to the Service Provider.
- 26 **GOOD FAITH:** The Parties undertake to act in good faith with respect to each other's rights under this Contract and to adopt all reasonable measures to ensure the realization of the contract's objectives, operate fairly together without detriment to each other and exercise their best efforts to agree on actions which may be needed to remove causes of unfairness.
- 27 **AMICABLE SETTLEMENT:** Either Party with an unresolved issue concerning actions or inaction of the other Party may seek resolution through an independent third party empowered to enable resolution.
- 28 **DISPUTE SETTLEMENT:** Any dispute arising out of the Contract which cannot be settled amicably according to Clause 27 shall be settled in accordance with the provisions of the Arbitration Act 1976 of Samoa and best international practice.
- 29 **INDEMNITY:** The Service Provider shall, at all times indemnify, hold harmless and defend the Principal, its officers, employees and agents from and against any loss or liability reasonably incurred or suffered by any of those indemnified arising from any claim, suit, demand action or proceeding by any person against any of those indemnified where such loss or liability was caused by any willful, unlawful or negligent act or omission of the Service Provider, its employees, agents or Subservice Providers in connection with the Contract.
- 30 **PASSING OF PROPERTY:** Property in, and risk of loss of or damage to the Product shall pass to the Service Provider upon delivery of the Produce to the headquarters of the Principal, with its address set out at the SCC, Apia, Samoa. The Principal shall, upon delivery, provide the Service Provider with an acknowledge in writing of receipt of the Products/Goods, thereby passing the property in, and risk of loss or damage to, the Product/Goods to the Principal.
- 31 **DEFECTS LIABILITY:** At the Completion Date, the Principal or its representative shall check the Contractor's work and notify the Contractor of any Defects that are found. Such checking shall not affect the Contractors responsibilities. If the Principal finds any latent or patent defects in the works carried out, the Principal shall then notify the Contractor and the contract shall remedy the said defects prior to the expiration of the defect period. The Principal shall give the said notice to the Contractor before the expiration period which is set out in the RfQ.
- 32 **COMPLIANCE WITH POLICIES AND PROCEDURES:** The Service Provider must, when using the Principal's Premises or facilities, comply with all reasonable directions of the Principal and all procedures and policies of the Principals including those relating to occupational health (including no smoking), safety and security in effect at those premises or in regard to those facilities, as notified by the Principal or as might reasonably be inferred from the use to which the Premises or facilities are being put.
- 33 **INSPECTION, REJECTION AND ACCEPTANCE: General Services:**
- (a) The Principal or its Representative may reject any or all services provided by the Service Provider if found not to be in accordance with the Contract.
- 34 **INSPECTION, REJECTION AND ACCEPTANCE: GOOD/PRODUCTS: GOODS RELATED SERVICE**
- (a) The Service Provider shall be deemed to have satisfied itself before tendering

as to the correctness and sufficiency of the tender of the Services and the Contract Price and acknowledges that it has inspected the EPC sites and is aware of their condition(s) before it agreed to supply the Maintenance and Cleaning Services.

- (b) The Principal can inspect the progress of the Services and the Service Provider will grant the Principal or its representative access to the site where the Services are being performed. If there is defect or the Principal is dissatisfied with the services, it may by written notice require the Service Provider make good any defects arising from poor workmanship at no cost to the Principal.

**35 INSURANCE:** The Service Provider will be responsible for taking out any appropriate insurance coverage during the duration of the Contract.

**36 ASSIGNMENT:** The Service Provider shall not assign this Contract or sub-contract any portion of it without the Principal's prior written consent.

**37 WAIVER:** If a party does not exercise (or delays in exercising) any of its rights, that failure or delay does not operate as a waiver of those rights. A single or partial exercise by a party of any of its rights does not prevent the further exercise of any right. In this clause, "rights" means rights or remedies provided by this Contract or at law.

**38 WARRANTY ON GOODS/PRODUCTS:** All equipment supplied must have a 3-year Maintenance for Hardware & Software from IBM. Must also include replacement of any faulty parts including hard disk during the free maintenance period. New hardware must come with licenses.

**39 CLEANING UP:** The Service Provider shall, to the satisfaction of the Principal's Representative keep the Site and Services and/or Works tidy and clean during the execution of the Service and at its completion.

## **PART 5: RE-POSITIONING DISH ANTENNA REQUIREMENTS**

### **SCHEDULE OF SUPPLY**

### **SCOPE OF WORKS**

1. Power off MW at Salelologa end and remove coaxial cables from MW units.
2. Seal cable ends using insulation tape.
3. Disconnect cable from the 1.8m dish antenna (upper antenna) and use insulation tape to cover cable end.
4. Carefully loosen the mounting bolts and nuts, then dismantle the dish assembly from its current mount on the tower. Use penetrating lubricant if bolts are rust. Use cables to lower the antenna to the ground.
5. Remove support arm and move/mount it approximately 5m above from its original position.
6. Use ropes and Gin pole to safely transport the dish antenna and mounting hardware to the new location on the tower.
7. Securely mount the dish to the support arm at the new position.
8. Repeat steps 2 to 7 for the second antenna (lower antenna).
9. Move the co-axial cable that was used to connect the upper antenna and use it to connect the lower antenna.
10. Remove the cable from antenna facing Vaiaata to connect the upper antenna.  
Ensure all connections are secure and weatherproofed.
11. Adjust/Tilt the two dish antennas to align with the original direction towards Fiaga.  
Use a compass to point the dish in the direction of the receiving antenna at Fiaga.
12. Connect the cable ends of the co-axial cables to the MW units in the server room and make sure they are tight and secure. (Note the different cables to use for each MW unit). The cable which was connected to the lower antenna no longer in used.
13. Power on the MW units and do tests and check the RSSI signal to make sure they reach the expected maximum strengths.
14. Once the dish is optimally aligned, securely tighten all bolts on the mount, feed arm and reflector. Be careful not to over tighten, which can warp the dish.
15. Apply all waterproof tape or sealant to all outdoor cable connections to prevent moisture from damaging the equipment.
