ELECTRIC POWER CORPORATION

JOB DESCRIPTION

Position Title: Electrical Technician	Position Code: SO-P-G
Position Grade: A2/L2	Salary Grade: \$15,193 - \$21,403 p.a
Location: Savaii Operations	
Reports to: Foreman Electrical/Overseer Generation	
Review by: CG-HRM / MSO	Date: April 2026

VISION 2025

To be a sustainable, affordable & resilient electricity provider

MISSION

Provision of quality electricity through efficient customer services, innovation, sustainable and climate resilient infrastructure in partnership with stakeholders.

The Electric Power Corporation (EPC) was established in December 1972 and has coverage of power to around 98% of the country. The legal mandate of EPC is to sustainably generate, transmit, distribute and sell electricity to the people of Samoa at the lowest possible cost. EPC is to also deliver optimum energy solutions in a customer-friendly manner through innovative use of all types of energy sources in Samoa giving first priority to renewable energy.

EPC plays a vital role in the development of Samoa and ensures that the Government's number one priority for infrastructure in the energy sector is realized through:

- Increased generation of electricity from renewable sources
- Increased efficiency of power generation and distribution
- More efficient use of electricity by consumers

Amidst many challenges, EPC continually strives to improve its overall performance to fulfil its core functions and strategic results to all its stakeholders in Samoa.

VALUES

Passion	for excellent customer service
Respect	for all stakeholders (customers, staff, government, community, donors and the environment)
Integrity	Absolute and honesty in everything we do
Innovation	Always looking for better and cheaper ways of doing things
Delivery	Do everything with enthusiasm and determination. Meet the highest standards in everything we do
Empowerment	Encourage all staff to take responsibility for what they do and encourage them to make decisions that are in the best interest of EPC
